

Pan 2

Tub Spout W/Diverter & Nipple 6779-9V-81CP

INTRODUCTION:

Design Team created the Pan 2 Faucets with concise style, and integrated rectangular and circular lines into the shape design to fit for different basins easily and provide users various choices. Though it has just used the most basic geometric elements, the design team also varied the faucets to be special and bring the positive benefit for bathroom.

"Pan-," a combining form meaning "all." We are eager to hope all users would have chances to experience our highquality products, and it could start from this Pan Series which has perfect harmony with various basins and bathroom designs.

DESCRIPTION:

1. Easy-pull diverter for changing water stream flow.
