

Two-Handle Basin Faucet 6874-91-80CP

INTRODUCTION:

The conical basin faucet decorates your lavatory in an unique way, and improves the convenience of household livings. Chrome plated surface has a smooth touching texture, and the cross handle helps save efforts for operation. Applied with MARUWA ceramic disc on cartridge, the valve is highly antiwear and anticrack for at least 10 years. The material toughness ensures the components to be precisely assembled, and prevent water leakage.
