

Sink Tap 6903-9A-80CP

INTRODUCTION:

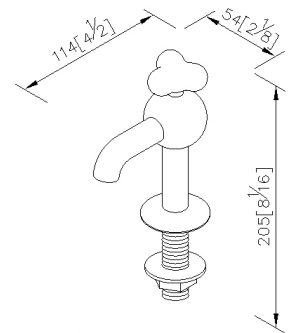

This classic design not only reserves the figure of the primary Bib Taps, but also integrates the contemporary and fashionable element - the round model of the body and the handle with brass and ceramics material, which impress users so much to take their eyes on it.

JUSTIME sincerely hopes the design will be popular among everyone- reminding adults of the past about the original charming and also making kids experience the beauty of traditional and modern times. The Story Series tells about the history of faucet: from past, through present, and to the future. One day, while people talk about the faucet, the first impressive image comes out their mind, definitely, will be our "Story Faucet."
