

Wall-Mounted Bib Tap 6903-L7-80CP

INTRODUCTION:

Though the shape of faucet has innovated these days, the original impression of faucet still remains on the traditional long wall-mounted faucet. For a long time, the image of the long wall-mounted faucet exists deeply in our memories. The design team of the 6903 Story Faucet would like to trace back to the beginning and try to find out the original beauty. That is the reason "Story Faucet" being created.

This classic design not only reserves the figure of the primary long wall-mounted faucet, but also integrates the contemporary and fashionable element - the round model of the body and the handle with brass and ceramic material, which impress users so much to take their eyes on it. Story Hose Bib fits for gardens, washing machines and so on, and the structure has special design, it improves the beauty and the refinement of the appearance.
